

Compliance does not equal security.

BEST-IN-CLASS SECURITY PROVIDER

Whether you're a dispensary, testing lab, secure transport, processing facility or grow facility, Sonitrol has you covered with the best-in-class security system that not only gives you peace-of-mind, but will meet your state's law requirements to keep your business up and running. Sonitrol provides integrated and comprehensive security solutions for many businesses in the cannabis industry throughout the U.S. and Canada. In addition to our verified audio and SonaVision™ video solution, which provides 100% verification, we also provide access control, fire detection, and all-around robust security backed by an industry-leading guarantee to protect your high-value products. Sonitrol understands the importance and uniqueness of your business as to coverage, requirements and inspections and will work with you on providing the security you need.
